

I Have Access To Healthcare For \$0, With ZERO

Through my employer-sponsored benefits, I have access to ZERO. ZERO contracts directly with providers for procedures such as:

- Orthopedic Surgery
- Spine Surgery
- General Surgery
- Labs
- Imaging
- Physical Therapy
- Gastrointestinal
- Ear, Nose, & Throat
- Pain Management
- Sleep Studies
- Women's Health
- **And More**

When I use a ZERO provider, I pay \$0 out-of-pocket and my employer pays 100%. We all save and I get high-quality care with my own Personal Health Assistant (PHA) to guide me through the process.

How ZERO Works:

Step 01

Provide me or ZERO with details about the procedure you want me to have (i.e. the order). Orders can be faxed to: **888-614-2141**

Step 02

My ZERO PHA will see if the procedure is available through ZERO and will send a referral to a provider.

Step 03

The ZERO provider can share the results of my test, procedure, etc. with you.
