

Support of Nonprofits & Faith-Based Organizations

Simplifying Healthcare. Strengthening Missions. Supporting Communities.

At ZERO, we are proud to support mission-driven organizations working every day to uplift their communities. Whether breaking cycles of poverty, expanding access to early childhood education, delivering essential behavioral health care, supporting global humanitarian efforts, or creating cultural spaces that bring people together—these organizations do vital work. By reducing healthcare costs for employees and employers alike, ZERO helps them reinvest precious time and resources into their missions, while giving their teams access to high-value care with no financial burden.

Reducing Healthcare Costs so Mission-Based Organizations Can Do More

✚ Greater Access to Care

Nearly 8,800 members across 11 different nonprofits and faith-based organizations have access to thousands of healthcare procedures—from advanced diagnostic imaging and surgical care to colonoscopies and physical therapy—all at \$0 out-of-pocket cost.

💰 More Dollars to the Mission

Over the last 8 years, ZERO has helped our nonprofit partners save more than \$10.7 million. Redirecting funds to expand programs, deepen services, and drive greater impact.

\$10.7M COST SAVINGS

♥ Giving Back to the Givers

By trusting ZERO for their healthcare, members have eliminated an estimated \$5.8 million in out-of-pocket costs.

Engagement that Drives Results

ZERO only delivers impact when members use it and our nonprofit partners are some of the most engaged in our network.

Through deep collaboration between HR & Benefits teams and ZERO's Employer Experience team, we've built engagement strategies and targeted campaigns that resonate deeply with the employees of these organizations and their family members. As a result:

- ▶ **Close to 50%** of all active members use ZERO services
- ▶ **64% of non-profit employers have partnered** with ZERO for **4 or more years**
- ▶ **2 new organizations joined the ZERO family** in 2024 citing our ability to help contain costs as their primary reason for partnering with us

Member Satisfaction: A Mission-Aligned Experience

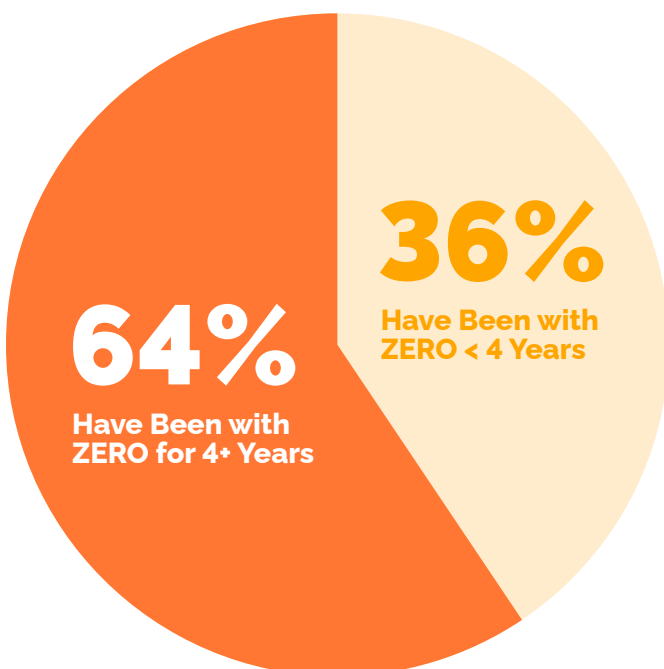

Our **Member Net Promoter Score of 94** reflects how deeply ZERO's service model resonates with members. These employees work tirelessly for others and we believe they deserve the same support in return. Here's what members from these mission-driven organizations had to say about their ZERO experience.

"ZERO was very helpful in ensuring that I found a provider that could meet the needs I had for a very specific procedure. Their communication between me and the medical provider was prompt, clear, and kind. I appreciate the time and attention ZERO staff puts into each conversation and the assurance they provide as well that lets me know I won't have to handle the financial stress side of medical procedures."

Kasie, faith-based employee, OK

"ZERO card staff are AMAZING! Friendly, considerate, respectful, and always right on-point every time I have used the service."

Stephanie, non-profit employee, OK

Our Partners Count on ZERO

An added benefit of partnering with ZERO is the peace of mind HR and Benefits teams and leaders gain through strategic, hands-on support. Here's how trusted partners describe the impact of their collaboration with ZERO.

"ZERO's commitment to continually expand service options while maintaining low costs has empowered us to offer exceptionally affordable care to our employees. They consistently exceed our expectations in alleviating financial concerns. ZERO is a trusted and invaluable partner to our organization."

Brenda, Benefits Specialist at Tulsa Educare

"As medical coverage costs continue to rise, we've significantly reduced our overall expenses thanks to the savings delivered by ZERO. The ZERO team is exceptionally patient, user-friendly, and consistently goes above and beyond to ensure seamless, effective communication. We deeply value our partnership with ZERO, trusting them for their transparency, timely updates, and clear, concise reporting that consistently reinforces the impact of their support."
